Dear Customer,

The Spring 2010 Special Offer

The vernal equinox has passed and spring has arrived. We have the long summer days ahead of us, and I am sure that we are all looking forward to some pleasant sunshine and blue sky.

In order to help my clients enhance the joy of summer with a new suit, I am running a Spring Special Offer. The range on offer consists of lightweight pure wool worsteds in any of which I will cut and tailor to measure a two-piece suit for the sum of £1350.00 including VAT

The fabrics are super 110s and are 9/10 Oz in weight, save for four cloths which are 11/12 Oz for those who prefer something a little heavier. I enclose a selection of the patterns that form part of the range. As you can see they are classic designs for formal or less formal occasions. The fabric has a soft silky handle but has sufficient body to help the suit keep its shape.

I will run this Offer from now until the end of May. I will also include suits ordered from our own fabric stock in the Offer. I believe this Offer provides excellent value for money and I commend it to you.

I look forward to welcoming you when you call, whereupon I will be pleased to show you the whole range, and meantime remain always at your service.

Yours sincerely,

Ravi Tailor
Managing Director
